Subject RE: AO 2011-28 (Western Representation PAC)

History: This message has been forwarded.

I request an extension of time to file a public comment on this matter, until 4:30 PM today, 1/18/2012.

I believe there is a significant, material, misunderstanding in how the FaceBook platform works, and in how WRPAC intends to utilize this platform to engage in its planned activities. Unfortunately, preparing a sufficiently detailed response to the draft, which was published less than 1 week before the hearing, and given prior scheduling conflicts over the long weekend, including work related travel to confer with clients, has not been possible, and we request a short extension.

Regards,

Dan Backer, Esq.
